### **Moon Lander: How We Developed the Apollo Lunar Module (Smithsonian History of Aviation and Spaceflight (Paperback))**

Chief engineer Thomas J. Kelly gives a firsthand account of designing, building, testing, and flying the Apollo lunar module. It was, he writes, “an aerospace engineer’s dream job of the century.” Kelly’s account begins with the imaginative process of sketching solutions to

### **Tests & Measurement for People Who (Think They) Hate Tests & Measurement**

Neil J. Salkind guides readers through the fundamentals of tests and measurement, using the conversational writing style and straightforward presentation techniques that have made his book *Statistics for People Who (Think They) Hate Statistics* an international bestseller. He provides an overview of

### **Biomedical Ambiguity: Race, Asthma, and the Contested Meaning of Genetic Research in the Caribbean**

Steadily increasing numbers of Americans have been diagnosed with asthma in recent years, attracting the attention of biomedical researchers, including those searching for a genetic link to the disease. The high rate of asthma among African American children has made race significant to this search

### **A Century of Wrong**

Excerpt: ...that fact the uproar which arose at that meeting was not quelled by the police. The following are the true facts:

**What others say about this ebook:**

**Review 1:**

**I love Boston and sometimes need a little help finding all of the hidden gems in the city. This map details all of them.**

**Review 2:**

**Disappointed! The map is printed paper coated with light nylon, which has the texture of a glossy paper - and hence not durable. There is not enough detail in the map, because of lack of hard plastic, it is not easy to use while in the car.**

**Review 3:**

**streetwise is a better choice**
