**Review 1:**  
Good read

Nice

**Review 3:**  
Ok. Lisa Marie Perry is now officially on my list of favorite authors!

**JUST FOR CHRISTMAS NIGHT is a fabulous and SEXY,SEXY,SEXY read!**

**Martha is the wild child of the Blue dynasty. She's like an enigma wrapped in a riddle. But not all is as it seems. Joaquin, the hero, is a tortured soul. He, like our heroine, has something to prove, if only to himself. Their relationship was broken in the past. They must make some difficult choices in the present but make them they will and always on their own terms.**

**This story has many different layers. The characters are very well written. They are real, they are raw, as are their emotions. I loved them both. I was rooting for them all the way. It was a real trip reading on to see how it would all come to a head.**

**Lisa Marie has a fabulous writing style. It is modern, flows easily and is a pleasure to read.**

**A truly wonderful, very enjoyable read. Highly recommended!**

**Review 4:**  
When I first started reading this book, I found it hard to stay with it. But that changed quickly. What a beautiful story! Joaquin and Martha are so real even with their celebrity status. I do wish more detail about Jules' problems could've been addressed, but hopefully it will be revisited in the next book. Can't wait to read it!!

**Review 5:**  
Night Games introduced me to the Blue Dynamics and Charlette Blue and Nate.  
Midnight Play brings Danica Blue to the fore front and Dex.  
Just for Christmas brings me Martha Blue and the best offering of the three from the ?Blue Dynasty?. Martha is strong, witty, complex, and a bit of a party girl. She has much to prove to show that she is so much more.

**Perry gives a beautiful offering in creating this Blue girl?s story. Joaquin is so much more than he appears to be on the outside. His life is filled with many complications with family/career/choice. Martha makes things all worth it. The Blue family patriarch and matriarch are still (to me) azzes with selfish intentions. They work hard to make #1 the currency that revolves around their lives and that of their children.**

**Looking forward to ?Mine Tonight? and more Santino.**
