### The Clans & Tartans of Scotland: A Guide to Scottish Family Names

In Clans and Tartans of Scotland you'll take a look at some of the oldest and most historic families of Scotland. Tracing back to the 19th century, the stories of Scottish clans and their heritage is expounded upon in this great volume. A Scottish clan is a kinship group among the Scottish people

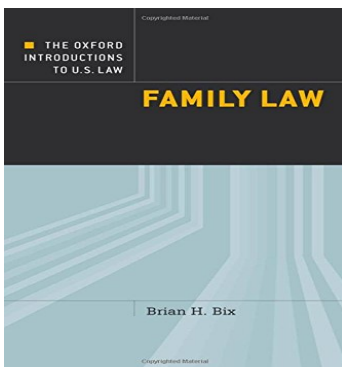

### Power, Knowledge, Animals (The Palgrave Macmillan Animal Ethics Series)

This work contributes to the development of a theoretical context of the politics of truth about animals. By applying and extending Foucault's theory of power, this work uncovers dominant and subjugated discourses about animals and describes power-knowledge associated with statements about animals

### Outposts: Journeys to the Surviving Relics of the British Empire

Simon Winchester, struck by a sudden need to discover exactly what was left of the British Empire, set out across the globe to visit the far-flung islands that are all that remain of what once made Britain great. He traveled 100,000 miles back and forth, from Antarctica to the Caribbean, from the M

### The Oxford Introductions to U.S. Law: Family Law

A book about family law is necessarily a book both about family life and the role law can and should take in regulating family life. Individually and together, these are vast topics. American family law is ever-changing and affects every facet of our lives. The Oxford Introductions to U.S. Law: Fam
