Devin Rhodes Is Dead

Told in alternating "Before" and "After" chapters, Kam's novel focuses on the events leading up to and just after Cass's best friend Devin's body is found at the bottom of a local ravine. Part realism, part ghost story, and part coming-of-age tale, this young adult novel will draw you in and keep you turning pages until the dramatic conclusion.

What others say about this ebook:

Review 1:

This is such a fantastic book! The story opens with Cass, a girl who has just lost her best friend, Devin Rhodes, in a tragic and mysterious accident. The story unravels in a series of Before and After chapters. The reader navigates through the story learning about the events leading up to the night Devin died and also seeing glimpses of how Cass is coping now, trying to come to terms with the loss of her friend. Cass is conflicted, guilt-ridden and questioning. Why was Devin at the bottom of the ravine? How did she get there that night? And why does Cass feel like she had a hand in Devin's death?

A mystery, a story of friendship and, in parts, an absolute thrill ride. Check it out!!!

Review 2:

Great mystery filled with suspense and creepiness!

Review 3:

Great, quick read. I couldn't put it down--nicely done mystery, particularly for middle graders.

Review 4:

Devin Rhodes is Dead reminded me a lot of The Lovely Bones, if it was told from the point of the view of the victim's best friend. This is a story of friendship and loss with just a touch of the paranormal. I enjoyed the suspenseful/unexplained atmosphere of the book. Cass was easy to relate to and I quickly found myself rooting for her. I would completely recommend this to everyone I know. I loved reading it.

Review 5:

I could not put this book down! The pacing is excellent, the structure is intriguing, and the suspense is delicious. Add to that compelling characters and a nuanced story layered with meaning -- what more could you ask for?!
