The Way We Wore: Black Style Then

In *The Way We Wore: Black Style Then*, Michael McCollom chronicles African-Americans fashion from the 1940s through today. Featuring snapshots of over 150 black men and women's most unforgettable "style moments", the book includes personal photographs taken from the author's own family and circle of friends including Oprah Winfrey, James Baldwin, Iman, Naomi Campbell, Tyra Banks, Tracy Reese, Patrick Kelly, Kimora Lee, Bobby Short, Bethann Hardison, and Portia LaBeija, among countless others. From brides glowing in white dresses to bachelors in bell-bottoms, these photographs encompass the tremendous variety of fashions begun by the African-American community and guided international

What others say about this ebook:

Review 1:

I like it but I thought it would have more style eras and older fashions from across the country not just the author's friends.

Review 2:

IT'S NOT MERELY BEING IN THIS BOOK THAT MAKES ME LIKE IT SO MUCH. ON THE CONTRARY, TWO THINGS MAKE MICHAEL H. MCCOLOM'S CHARMING LITTLE BOOK SO DELIGHTFUL. FIRSTLY, IRRESPECTIVE OF RACE, GENDER OR CLASS, WE ARE ALL IN THIS BOOK: THOSE WHO ARE REMARKABLY BEAUTIFUL, THOSE WHO ARE NOT, THOSE WHO TRY DESPERATELY HARD, EVEN TOO MUCH, TO BE FASHIONABLE AND THOSE WHO, SEEMINGLY, MAKE LITTLE EFFORT WHATEVER SO FAR AS THEIR APPEARANCE IS CONCERNED AND STILL ARE ALWAYS IMPECCABLY TURNED-OUT AND FABULOUSLY STYLISH. ASSUREDLY YOU WILL FIND YOURSELF HERE AND JUST AS CERTAIN IS THE FACT THAT AMONG OTHERS INCLUDED, YOU ARE SURE TO RECOGNIZE TYPES YOU KNOW OR KNEW.

MOREOVER, IF LIKE ME, YOU ADORE THE FANTASY AND GLAMOUR IMPLICIT IN THE RARE GRAND GESTURE OF A TRAIN, OF FUR, PLATFORM SHOES OR HIGH HEELS, ANY OF THE ELEMENTS OF CHIC REQUIRING CAREFULLY ALTERED BEHAVIOR FOR THE WEARER, HELPING TO TRANSFORM PEOPLE AND EVENTS INTO PERSONALITIES AND SPECIAL, OUT-OF-THE-ORDINARY OCCASIONS, THE WAY WE WORE IS FOR YOU! IN A TIME WHEN DIAMONDS, SATIN, SEQUINS, METALLIC FABRIC, AND DECOLLETAGE, ACCOMPANY DENIM TO BECOME DAY WEAR AND NEITHER VELVET NOR ORGANDY, WHITE SHOES OR STRAW HATS, ARE CONFINED AS TO SEASON OR TEMPERATURE, HOW APPEALING TO TRAVEL BACK TO OUR RECENT PAST, TO DISCOVER A TIME WHEN GREAT CREATIVITY AND MARVELOUS ORIGINALITY WERE ACCOMPLISHED WITHOUT DISCARDING TRADITION AND DECORUM ALTOGETHER...

Review 3:

Talk about a walk down memory lane. This book took me back to the days of Easter Ball's and Jazz Festival's. It also showed me how fashion repeats itself. That everything old will be new again. Just give it time.

What a great photo essay of our community all dressed up! Real people styled by themselves, when there was no Photoshop. Imagine that! The Way We Wore is a testament to the fashion sense, the style, and the grace of Black people.

While I truly adore her, this is documented proof that even before Lupita Nyong'o, Black was beautiful.

Thank you Michael McCollom.

Review 4:

Vulnerability is everything in a pictorial essay.. The moment I opened the cover I was enthralled. I love the backstory, the random mix of subjects. All of which are high brow in depicting their moments of stardom. This book speaks to the distinct evolution of fashion and how that pertains to style. A testament to the reasoning that history and fashion repeat and collide. A definite addition to any coffee table.. To quote Bill Cunningham..."The best fashion show is definitely in the street. Always has been and will always be." Mr. McCollom definitely captured that essence in

his rendering..

Review 5:

I loved this book in a way that I rarely do. Basically, this is a compilation of nicely shot personal photos (ie, not fashion shoots) of African-Americans from the 1930's to the early 2000's, usually with a brief 1-2 sentence blurb from the individual who submitted the photo saying what is going on in the picture. I thought that the photos, fashions, and accompanying words made for a wonderful visual narrative.
