What others say about this ebook:

Review 1:
Small letters

Review 2:
PA student here, meaning my eyes are glued in books all day every day. I found this book to be helpful, not incredibly useful so far, maybe it'll be better on rotations or when I work. But I think phone apps are faster in finding what you want, and they're updated in all areas.....

Review 3:
This is a good book, unfortunately the font is too small to use. What a shame.

Review 4:
Great little book.

Review 5:
Hard to read. Not as user friendly as I had hoped.
