### License to Drive in Ohio

License to Drive offers you a totally integrated solution to driver education. Using a realistic approach, it covers all major driver education issues, with an emphasis on safety and defensive driving that will appeal to all new drivers. The focus is on practical solutions to everyday situations, with thoughtful coverage of such subjects as driving under the influence, sharing the road, challenging driving conditions and "road rage". The Annotated Teacher's Edition includes an Activity Disk that instructors can use for additional assignments or give to students to use themselves. There are also five videotapes that tie directly to the text content.
