Street Life: Poverty, Gangs, and a Ph.D.

Victor Rios grew up in Oakland, California in a single parent household, in poverty and on welfare. He joined a gang at the age of thirteen and by age sixteen he had dropped out of school and had been incarcerated several times. Having witnessed the tragic murder of his best friend by gang rivals, Victor hit a critical juncture in life at which point he made the decision to transform. With the support of educators and mentors, Victor redirected his attitude towards life, and returned to school to eventually acquire a Ph.D. from the University of California at Berkeley. Dr. Rios uses his personal story, and 10 years of research experience, to discuss how personal and institutional "illusions

I Ain't Me No More:: Book One of the Always Diva Series (Urban Books)

An Essence® Bestselling Author Helen wasn't just born the devious vixen of New Day Temple of Faith. There had to be something rooted deep within her to make her inflict and feed off of other people's pain. Perhaps it was her own pain, suppressed for so many years. But once her d

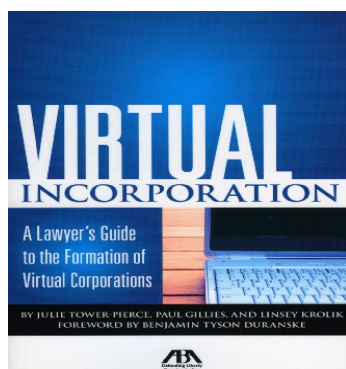

Rowing After the White Whale: A Crossing of the Indian Ocean by Hand

'Rowing After the White Whale' is the story of two completely inexperienced, under-prepared graduates who were fed up with life in the City and set out to row across the Indian Ocean.

A Short Guide to Procurement Risk (Short Guides to Business Risk)

Increasingly, top executives view supply markets as sources of competitive advantage and as means of achieving strategic objectives. Procurement is the management activity that makes this happen, and this process depends on a superior risk management capability if it is to be effective. Yet, despite i

This unique book will introduce lawyers to this new area of law. Examining the developments of the digital LLC/virtual incorporation laws of the state of Vermont, this fully-indexed book covers the nuts and bolts of virtual incorporation. The book examines virtual ethics and corporate responsibilit

and a Ph.D. audio books how to download Street Life: Poverty, Gangs, and a Ph.D. for free

What others say about this ebook:

Review 1:

As a person whom shares similar experiences with Dr. Rios, this book is fantastic. "Street Life" is his autobiography and he tells his story explicitly. His uncompromising style of writing allows readers to quickly engage and jump into the book. As a Mexican-American, Rios, depicts what its like to grow up in an urban gang-infested setting and without the guidance of a father. His journey from a troubled teen to a established professor with a P.H.D. is inspiring and motivating to say the least. Readers can easily capture his authenticity that is what makes this book so enjoyable.

Review 2:

This book gave me hope

Review 3:

just what I needed and received it quick and I love them!

Review 4:

A go-to book for hard-to-please boys in high school. A valued addition to my high school library.

Review 5:

This is a well written urban study book. Great for students and those who want to learn more about the world around them. This will not disappoint.
