The Bat: The First Inspector Harry Hole Novel (Harry Hole Series)

The electrifying first appearance of Jo Nesbø's detective, Harry Hole. Inspector Harry Hole of the Oslo Crime Squad is dispatched to Sydney to observe a murder case. Harry is free to offer assistance, but he has firm instructions to stay out of trouble. The victim is a twenty-three year old Norwegian woman who is a minor celebrity back home. Never one to sit on the sidelines, Harry befriends one of the lead detectives, and one of the witnesses, as he is drawn deeper into the case. Together, they discover that this is only the latest in a string of unsolved murders, and the pattern points toward a psychopath working his way across the country. As

What others say about this ebook:

Review 1:

I read 50% of teh book... Nothing happens it is so terribly slow...

Review 2:

I did not enjoy this story at all. The author spent so much time ruminating that I was totally bored.and felt like it went on forever. The story line was buried within all the subplots and fables. Certain deaths had more meaning for him than others. Violent, amoral and dull. I will not be reading any more of Jo Nesbo's books.

Review 3:

Engaging story, but wasn't held together tight enough for my liking. Lots of odd dead ends & just a so-so ending.

Review 4:

interesting characters and plot turns

Review 5:

I read the snowman first so got a spoiler! Still a great read, bur maybe since i was at 4700m elevation my opinion was affected.
