Old Toronto Houses

A guided tour of the city's most interesting homes. Urban skyscrapers and suburban sprawl identify Toronto as a typical modern city. Yet there exists another, hidden Toronto a place of quiet tree-lined streets, graceful houses and appealing neighborhoods rich in character. Old Toronto Houses is illustrated with brilliant color photographs that explore the signature styles of Toronto's urban architecture. It opens with Henry Scadding's rough-hewn log house built in 1794, then progresses through the city's landmark styles: Georgian, Regency, Gothic, Victorian, Greek Revival, Dutch Colonial and Art Deco. The book then chronicles the houses of 10 distinct Toronto neighborhoods, includin

What others say about this ebook:

Review 1:

This is a wonderful book filled with colorful pictures and interesting text. I especially appreciated the way the author divided the book between house styles and neighborhoods. Toronto is blessed with wonderful neighborhoods and this book does a commendable job of giving a quick glance at each one. The photos are so vivid and the cross section of homes wonderfully selected. I really didn't know what to expect from this book and I was wonderfully surprised about the text on the different neighborhoods. Very well done, indeed.

Review 2:

This is a truly wonderful book, packed with gorgeous pictures of lovely old houses. The pictures are all perfect, and they even include some interiors. The Victorian houses are especially interesting, as they're different in style from what we have in the U.S. If you're familiar with the "painted ladies" books, this is a similar idea, with better quality photos. Highly recommended.
