I have had the honor and privilege to have met, known, and have Ms. Shaffer as an instructor for a couple of classes I have taken. From day one, there was something magical and luminous about this lady and I always enjoyed being in her presence. I now know why. Her wisdom and knowledge was always something you'd want to soak in. This book leave you feeling the same way. Her life story is captivating and her path to finding God is truly inspiring. I thank you for sharing this with me Ms. Shaffer. The message has given me a lot to think about.

Writing about your challenges in life are therapeutic, but knowing how you were able to overcome them are rewarding. Cheryl gave God the glory for seeing her through life's challenges. in reading the book it makes you realize nothing is imposibile for God. There may be challenges in your life, but you can overcome them by putting your trust and faith in God. I've enjoyed reading this book and I am looking forward to your second book. I would like to see you on Oprah's Super Soul Sunday, just a thought. Lynda
